If a regular customer send your orders to nearest transfer house. (See front page of cover.)

In ordering Plows, always specify how rigged, that is, whether with or without jointer or colter and wheel and standard; and if a swivel plow, whether with common or adjustable clevis. Also with chilled or steel moldboards.

In ordering extra parts always give the number or name of the part wanted and for what number or size of plow, referring to current price list.

When parts are designated as right or left it is understood that you stand behind the plow, looking toward it.

State whether to ship by freight, express or parcel post and by what route, and give name of railroad station and postoffice.

Telephone or Telegraph Orders received at sender's risk and must be prepaid. We cannot be held responsible for mistakes in orders so transmitted.

All local shipments of repairs or extras are f. o. b. point of shipment.

A reasonable charge will be made to cover cost of preparing package to comply with regulations of post-office or express company.

Postage and Insurance charge due same as repairs in that shipment.

Additional or subsequent orders take same discount as initial quantity order. Purchaser to pay all transportation charges on same.

When goods have been delivered in good order to railroad and receipt obtained therefor, our responsibility ceases.

Upon receipt of shipment, if any parts are missing or broken, have your R. R. Agent note same on your paid freight bill and send it to us, advising what is short or broken, and we will use our best endeavor to trace or collect for the same.

Remit by New York draft, money order or registered letter; or, if less than \$1.00, postage stamps will be accepted.

We answer all inquiries and correspondence and fill orders promptly.
